The year 2000 marked the 20<sup>th</sup> Anniversary of the Buckden Pike fell race. A fitting occasion therefore for Jebb junior to finally put this one under his belt. As a five year old he helped organise the race, later he ran the junior race each year and then the senior race except one when it clashed with a championship event. A well deserved win

In the womens race veteran Vanessa Peacock maintained her present good form to produce her first win in the event.

I was also delighted on the 20<sup>th</sup> Anniversary of the event to award Robert Cutts (Longwood) with special award for being the only runner to have completed all Buckden Pike races. Well done Robert.

Teams MEN Bingley 1,3,7.

WOMEN Bingley 59,64,79.
