Position in () denotes position at summit.

Junior Fun Race

This year for the first time a junior fun race was organised commencing 5 minutes before the senior race. On this occasion only 10 juniors ran, probably due to lack of advertising.

The course was on an easy grassy track approximately 1½ miles in length and the event was open to all under the age of 17 years. All received a prize.

There will be a similar event in 1985 for all those interested.
