REPORT

A hundred and fifty two runners lined up on this warm, still summer's day which marked the 10th Buckden Pike Fell Race.

Alex Smith of Cumberland Fell Runners, who is no stranger to Buckden having won the race in 1985, took the lead early on the climb and held it to the finish.

Bingley's Steve Hawkins, a specialist downhill runner, was unable to gain the advantage of the final steep drop despite a superb effort, and finished 8 seconds adrift of Alex.

Twenty six youngsters under 15 ran the mile junior race headed by Simon Creighton of Bingley. All competitors in both races were awarded special mugs to celebrate the 10th Anniversary of the event.
