This years race was included in the FRA junior & intermediate championships which helped boost the number of entries and made for an interesting race. In the senior race Ian Holmes took full advantage of his current outstanding form to shake off the rest of the field including downhill specialist Steve Hawkins. A notable performance was produced by Matthew Moorhouse running as an under 18 year junior to finish 3rd overall amongst the seniors.

In the ladies race it was no surprise to find Carol Greenwood in pole position again. On this occasion she smashed nearly two minutes off the course record set by Claire Crofts in 1988 and although I cannot confirm this officially, I believe she was in ninth position at the summit.

Finally, congratulations to Robert Cutts from Longwood for completing all thirteen Buckden Pike races to date. He received a commemorative 'T' shirt for his efforts.
