Well the rain held off this year - just. Good running conditions prevailed however and Ian Holmes produced a time only 14 seconds short of Colin Donnelly's 1988 record. The small friendly field no doubt was a victim of the English championship fixture the following day. Bingley won the mens team award. Unfortunately no female team completed.

Todd Oates, winner of the under 18 category also won the first local unattached award. I erroneously presented it to the wrong person. Apologies to those concerned.

For the statistically minded the following fastest times in the 19 year history of Buckden Pike may be of interest;

Course record	30.51	Colin Donnelly	1988
2 nd fastest	30.59	Ian Holmes	1995
3 rd fastest	31.05	Ian Holmes	1999
4 th fastest	31.08	Ian Holmes	1993

Not a bad performance over the years from Mr Holmes. Can he take the record? I'm sure he won't give up trying.

Pete Jebb
