

# **BLACKPOOL**

**SATURDAY 14 FEBRUARY 2015**

Lawson's Fields has on-site parking in the form of a surfaced track that could take hundreds of cars. For safety reasons the manned barrier will only be open for entry before the races start. Once parked inside, drivers will be able to leave when they wish. Do drive carefully and obey the 5mph speed limit. Entry times are:

**from 9:30am to 11:45am.**

Later arrivals will be able to find parking kerb-side on Lawson Road or in the estate. Anyone with mobility problems is advised to arrive early enough to park inside.

## **DIRECTIONS TO LAWSON'S FIELDS**

Leave the M55 at J4 and drive west on the A583 for 2 miles. Turn right (signed to the Zoo) onto the A587. At a mini-roundabout the left fork leads to the Blackpool Sports Centre and toilet facilities and the right fork to Lawson's Ground (right at the next traffic lights). A nearby postcode for Lawson's Fields is FY3 8LL.

## **TOILET FACILITIES**

At both venues toilet facilities are minimal so please make use of the facilities at the leisure centres before you arrive.
