

**20TH JANUARY 2013    THE 30TH SOREEN STANBURY SPLASH    6MILE/900FT - CHANGED ROUTE**

The Tom Tom battle was a snowy cracker, with Tom Adams breaking trail in the fresh and deep snow all the way and Tom Addison following in his footsteps. 'At the start me, Tom Adams and Mark led out. Tom Adams set the pace on the track out which was fast and I was just about managing to keep in contact. On the first descent me and Tom managed to open up a small gap on the rest of the field with Mark lying in third. The gap slowly increased all the way up the climb, and I just sat in behind. Tom was breaking down the snow to create a bit of a path to follow but it was really hard running still, but must of been even harder for Tom! Along the top of the skyline to the Top O' Stairs the snow was really deep as there was no path at all and we were up to our knees in snow at points which really sapped all the energy out of the legs. I looked back at this point and could see me and Tom had opened up a big gap on Mark, that made me start to think how I was going to play the rest of the race out as it looked at that point as if it was down to me and Tom. The fast running back towards the last descent saw us neck and neck, I thought the pace was really fast along there as the snow didn't seem to be quite as deep. Tom got to the descent first and accelerated down the boggy icy path. I took off after him trying desperately to hold on as I knew the finish wasn't that far off. I took a few tumbles in the thick bogs but didn't loose to much ground. On the final main climb back I knew I had to try and make my move. As much as I tried I just couldn't get past Tom I could tell he was determined to hold on to his Soreen crown. Just before the road back I got in front, we were now inside the final mile and I knew I had to get to the last little drag first as it went into a single track and would be hard to get past. I was at full pelt to try and make that path first and just about held my own. The day before I had got some new Inov-8 Oroc 280s from Pete Bland Sports as I thought there metal studs would provide me with that little bit more grip. On the icy path I felt I was able to really attack the climb and push off hard with every stride, I think the shoes helped me grip the icy underfoot conditions better. The last 100m came and I had just had enough on Tom to hold him off though he pushed me all the way to the line, it was a cracking race!' said English U23 champion and British U23 silver medallist Tom Addison. Tom obviously loves running on Haworth Moor and is trying to notch up wins at all these races, with 4 wins at the Withins Skyline, a Bunny Run, Egg Stage win and now this, his ambition is a Stoop and ALS win. 30 year old Tom Adams, last years Soreen winner did everything he could to win again but the youth of the other Tom this time had just had the edge. Tom's cousin Mark Addison was pleased with third before orienteer Chris Smithard finished fourth. Because this years race route had to be changed U18 athletes were allowed to compete and Max Wharton, James Hall and Gordon Weight relished the conditions and challenge, with Max finishing seventh overall. One of the greats of fell running, Lake Districts Gavin Bland now 41 won the V40 category in ninth, Gavin is no stranger to the area having finished second in the Soreen race in 1998 and 1999 both times to Ian Holmes. Christian Holmes once again got his hands on the first locals trophy finishing 8th. First V50 was Andy Shaw, first V60 Jack Holt and V70 Malcolm Coles. Ilkley Harriers with Tom Adams, Jack Wood, 5th and Whinberry Naze winner Lee Morley with 12th won the men's team.

The ladies race was won by twice Stoop race winner, Helen Fines she was always ahead of three times Soreen winner Helen Glover who also won the locals prize. Wetherby Harrier Pauline Munro returned to her old stomping ground finishing third and first FV40, Pauline won the Soreen race way back in 2001 and 2002, and won the ALS in 2000. The FV50 was won by Gill Myers who helped Wharfedale to the ladies team prizes with Gill, 7th, Louise Pickles, 8th and 23 year old Sarah Tipler leading them home in 4th. Aileen Baldwin of Stainland Lions won the FV60. The Soreen junior races like the senior race had route changes due to the snow, but that didn't detract from a fantastic turn out of 151 competitors braving the elements to collect their Soreen goody bags and pop. 28 competed in the U8 race with 7 year old Joseph Hobbs just having the edge on team mate Alex Duffield, Alayna Irvine also 7, won the girls race in fourth overall, running in fancy dress as 'Little Miss Sunshine', which so apt because she never stops smiling! U14 Yorkshire champion James Lund won yet another Quarry race, this time ahead of Yorkshire U12 champion Thomas Nelson. Keighley and Craven also supplied the first U12 in Elliot Brett, first U10 in Will Atkinson and first GU10, Lucy Fryers. Victoria Merrick won the GU14 in 7th overall while Natalya Irvine won the GU12 in 10th. A record turn out in the U16 race with Lewis Byram winning in 10-57 and the first girl being Eleanor Robinson in fourth overall. Special mentions must go to Alayna Irvine, Cassie Brotherton, Lizzie Nurse, Alicia Kerman, Summer Skye Smith and George Carman who all battled the conditions in fancy dress and won boxes of Heroes for being little Heroes. These races are affectionately known as the Malt Loaf Runs because all competitors receive a Soreen malt loaf for their efforts and it helps recharge the energy levels especially after battling the elements this year.
