

The best and funniest sight in fell running must be seeing all the senior and junior runners at the Stoop races donning their Santa hats and enjoying the fun that Haworth Moor and the Junior Quarry Runs have to offer. Certainly finishing with a broadest grin on their faces were winners Rob Hope and Nichola Jackson, who later at the prize giving wore their turkey hats with pride. Now eight times winner, 41 year old Rob Hope showed his finishing prowess by nipping past three times winner Tom Adams on the final climb of Penistone Hill, after a ding dong battle over the boggy terrain. 'After a good end of season rest following my last race at the Tour of Pendle I was feeling a little race rusty and to be honest, not really in the mood for suffering. I was a touch late getting into winter mode with limited sessions in the tank. However, once on the start line I was keen to get away and avoid a face full of mud. It was like glory days of old with Pearce and Hope leading out at the start (admittedly there weren't many glory days but hey, rose tinted glasses and all that). Tom Adams soon took charge and I was quickly having a predictable lactic overload. I thought if I could hang on until the rough boggy moors I'd have a chance given the overwhelming power I possess over Tom's Bambi like frame. By the summit we were neck and neck and well clear of the rest. Now it was Deja vu from a few years ago and a battle of wits. The lead changed hands numerous times and by the stream crossing Tom surged ahead. I hung on again as the pace quickened, hoping to stay in touch as the newborn fawn leapt over tussock and bog with graceful ease. Along the fast track side by side then Tom hurdled the cattle grid (ok no more deer references) like a gazelle while I totally bottled it and tiptoed one bar at a time. Tom had a narrow lead by the toilet block when I made matters worse by taking a head long dive on a flag stone. Now thinking I might have blown it, adrenaline kicked in and I was off in pursuit. Last chance on the climb to the finish I kicked past (I'm probably Ovett, he's Coe - Moscow Olympics 800m final). I hung on for the finish. Too much effort, tasting blood. A great race and really pleased to be racing so well at this stage of the year. Thanks Dave and Eileen and all the helpers for the usual highly entertaining day. As I write I think I'm having a serious sugar rush through polishing off the Cadbury Heroes.' said Rob. 2015 English champion Simon Bailey finished two minutes behind being chased all the way by international orienteer Jack Wood before new V50 Ian Holmes an eleven times winner showed he's no where near past it by finishing fifth, in a new V50 record. U18 Jimmy Lund showed he can mix it with the best finishing ninth overall, Mike Egner won the V60's and William Mitton the V70's. Rob Hope also led his P&B team mates to the team prize with Graham Pearce sixth and Gary Devine 17th. British & English FU23 champion Nichola Jackson was pleased as punch to have won her first woodentops race, Claire Green finished second while in third FU18 Jemima Elgood smashed Mountain Running superstar Emma Clayton's 2004 record by 2.32, an awesome achievement leaving Scout Adkin and Jo Buckley in her wake. Jemima's day got better by leading Ilkley Harriers to the team prize with Kate Archer ninth and second FU18 Lucy Haines 12th. Shona Stone won the FV40's, Jane Mellor the FV50's and Margaret Jagan the FV60's.

The fancy dress here was fantastic with 37 keen juniors wearing a multitude of Christmas themed costumes along with their Santa hats, the Quarry start was a little boggy which made for crowd cheering slides. Congratulations to U8 Zak Dimitrijevic, U10 James Duffy, U12 Alex Thompson, U14 Joe Hudson, U16 Dan Soles, GU8 Maisey Bellwood, GU10 Tui Brooks, GU12 Poppy Anderson, GU14 Briony Holt and GU16 Eliza Findlay. As it is tradition both senior and junior prize giving's ended with the customary chocolate throw out which always rounds of an excellent day of racing before the Christmas festivities begin.
