Thank you to everyone who helped make the evening a success especially Andy Berry, Stephen Chew, Sarah Tipler, Leanne Treitl, Joanne Sadowsky, Rob Whipp, Luke Whipp and Thomas Corrigan of Northern Relish, who very kindly donated enough chilli and rice to feed a small army.

Finally, thanks to all the parents and children who brought cakes along. I think I managed to sample most of them. The Guinness cakes baked by Luke Whipp tasted a lot better than I thought they would and got my vote for best overall.
