

After flagging the course in snow on a beautiful winters day, race day turned out to be a very wet and boggy affair due to the snow melting. But for the last two years alternative bad weather routes have been run so it was a pleasure to be back on the proper scenic course round Ponden Valley and Kirk. New Lancashire XC champion 39 year old Louisa Powell-Smith took the Soreen title in style after four times winner Helen Glover's early challenge to finish 16th overall. Helen finished second and first local two minutes behind Louisa whilst twice Soreen winner Jo Buckley finished third and first FV40, with another FV40 Jane McCarthy fourth. Jo with team mates Lindsey Oldfield eighth and Anne Johnson ninth won the ladies team prizes. First over 50 Debbie Gowans finished seventh and broke the FV50 record by over two minutes set by Jane Smith ten years ago in the FV60 Aileen Baldwin took the honours. 'Like the Auld Lang Syne the race was taken out at a frantic pace this time set by Helen Glover, although learning from my mistakes in the ALS I made sure I went with it. I managed to pass Helen on the track just before the first descent and made good headway down to the river. I used the steep hill up from the river to get in with a decent group going up the Pennine way which helped take some of the head wind off me. The conditions under foot across the moor were very wet and boggy but perfect for a cross country runner! As we crossed the stream at the top of the moor where we cut back on ourselves I'd say the gap between myself and Helen was now around 30 to 40 seconds. I was feeling quite strong and despite the odd tumble or three, I pushed on along the moor before returning to the Pennine way. Here I managed to get myself in a little battle with club mate Dave Bagot, we pushed each other hard down to and out of the beck crossing, and even though Dave managed to beat me it helped me finish strong in a decent time considering the conditions. 'I started running at the age of 12, and by 13 I'd joined Blackburn Harriers and under the coaching of the late Arthur Almond, only six months after starting I won the 1991 National Cross Country Championships at Birkenhead. I went on to win and be in a medal position in the Lancashire XC Champs, Lancashire schools, Northern XC and National XC champs numerous times over the next four years. I ran for England in Boyle Ireland and Alness in Scotland and qualified to run in Truro, but couldn't due to injury. I stopped running in 1996 aged 17 due to illness and pressure. I am now married with two daughters aged seven and ten and after taking part in a local 10k near to my home I have got the running bug back and decided to return', said a 'just can't stop smiling' Louisa. 34 year old Tom Adams fresh from winning the prestigious individual Silver medal at the Yorkshire XC championships for the second year running won the race for the fifth time, finishing three minutes ahead of Joe Baxter and Harry Holmes who had a terrific battle. 16 times Soreen winner the legendary Ian Holmes finished fourth and first V50 beating all the other veterans, he was only three seconds outside the ten year old course record of Steve Oldfield's despite the very wet and windy conditions. First local man to finish was in seventh Christian Holmes and first V40, Ben Grant won the V60's and Richard Blakeley the V70's. P&B won the mens team with Joe Baxter, Graham Pearce fifth and Matthew Seddon 13th. **'I can't think of a better way to spend a Sunday morning than running up and down Dale and through bog filled fields and moorland, obviously I am not alone since 330 other runners also thought this was a great idea. To be fair I didn't see one person cross the finish line that wasn't laughing, smiling or at least grimacing and then smiling as they chomped on biscuits, Soreen maltloaf and cupped a hot drink whilst chatting and laughing as you waited to see who came in with the muddiest face! Dave and Eileen manage to achieve this at all of their races and to top it off the prize giving in the pub afterwards is brilliant, unless you get hit by a rogue Soreen malt loaf or chocolate in the famous throw out. I don't think I've ever run this race when it hasn't been boggy and after the recent snow melt and heavy rain the course was like a quagmire. Watching the video in the pub afterwards of the super fast blast back down to the beck crossing on the return, it showed fall after fall, including legend Ian Holmes doing an amazing fall, spin and bounce back up, I've still got no idea how I stayed upright there. Brilliant stuff,' said five times winner Tom.** The Soreen Junior Quarry races were as always a fun filled affair with Alex Sadler-Townsend and Bethan Buckley winning the U9 races, in the main combined race Luke Carrington and Martha Jackson won the U11's, Eric Beaumont and Tui Brooks the U13's and Alex Thompson and Holly Davey the U15's. In the two lap race Reuben Mantle and Emily Jones won the U17's and James Askew and Eliza Findlay the U19's. All juniors were rewarded with a Soreen goody bag and pop, the fun didn't stop there as at the West End Cricket Ground prize giving some 40 prizes were awarded, before the famous Soreen and chocolate throw out began. Many thanks to Soreen for their continued support of this fell race which is affectionately known to seniors and junior runners as the Soreen Malt Loaf Run and introduces hundreds of folk to the delights of the delicious energy power that Soreen gives you. It was great to see a junior runner Tamsin Warsop of Denby Dale Travellers showing initiative and care beyond her years when she helped a fellow athlete who had taken a tumble and injured themselves. 12 year old Tamsin quickly ran back and alerted the marshalls of the fall and proceeded to show them the injured
