RACE REPORT (400 words maximum please)

One of the rarest days in February, crystal bluebird skies and snow on the ground, Bleasdale Circle Fell Race by VAGA 2026 was definitely one to remember. 85 runners out of the 100 entrants toed the start line and the pace from the off was ferocious. Evan Allan of Helm arrived home first in what was one of the most impressive runs Bleasdale has ever seen, despite being just over 90 seconds off the record, with those ground conditions, it was as good as a record performance. Throughout the field there were great things unfolding, with the famous orange and green of Bowland Fell Runners scattered in the snow, it was a great race to watch from HQ.

My thanks to all the marshals/BPMRT for all of their support and to everyone who donated a cake for the bake sale. All profits from the race were donated to BPMRT which totalled £710.00.

I look forward to seeing everyone again next year.
